## Join us in 2025 for Iraq food & plastprintpack

The first Iraq food & plastprintpack took place in Baghdad from 15 to 17 April 2019. Since then, the organisers have continued the event with Agro Pack, Food & Plast Iraq annually in Erbil.

At the unanimous request of the exhibitors and participating institutions, the trade fair will now be organised at both locations from 2025.

## Why participate

### Impressive figures underscore Iraq's dynamic growth in the food & plastprintpack sectors

- Between 2015 and 2023, Iraq's imports of food and packaging technology increased at an annual growth rate of 15.4%, from €76 million to €239 million, making Iraq the third largest Arab importing country in the Middle East after Saudi Arabia and the UAE.
- Food imports also surged between 2017 and 2022, up 12.5% annually, rising from US\$ 11.245 billion to US\$ 20.3 billion (WTO). This solidifies Iraq's position as the third largest food importer in the Arab Middle East, following Saudi Arabia and the UAE.
- Plastics technology imports up 15.7% annually from €20m in 2017 to €48m in 2023.
- Printing & paper technology imports up 47.6% annually, from €5m in 2017 to €35m in 2022.
- Packaging technology up 17.9% annually, from €47m in 2018 to €107m in 2023.
